This past weekend I went to BANTER LIVE and saw Sapnap, GeorgeNotFound and Karl Jacobs LIVE in North Carolina! The twist is, I was not there legally...

I'm sorry for the Sapnap and George slander in the title I JUST HAD TO LOL

This is not my usual Minecraft 1.20 Hardcore video content, but it was still super cool!

This past weekend, I drove sixteen hours to see @Sapnap , @GeorgeNotFound and @Karl IN PERSON! Some other guests such as TheAustinShown, Piso4, Wallibear and Purpled also made guest appearances! The decision to go was super last minute, as I did not even have a place to stay until the night before! I drove from Canada all the way to North Carolina in one day. The trip was super crazy and awesome as there were some hiccups along the way. Watch the video to find out what happened!

I forgot to mention that there is no sub wall (yes, I am still keeping up with that!) since this is not my usual gaming content! Once this video has been out for a bit, I will post an updated picture of it on the community tab!

This video has live clips of the VIP Banter live session all thanks to Kate!
